

# Global Solutions

**Your forklift turnkey fleet management solution.**

**REDUCE YOUR RISKS.  
IMPROVE YOUR PROFITS.  
REDUCE THE TOTAL COST OF OWNERSHIP ON YOUR  
MATERIAL HANDLING EQUIPMENT.**

## ABOUT TOROMONT

Toromont Material Handling is Canada's largest Caterpillar forklift dealer present in five provinces – from Eastern Canada to Saskatchewan. Our fleet includes forklifts in all categories of combustion and electric equipment with lift capacities ranging from 3000 to 110,000 lbs.

## WHAT WE DO

To estimate the cost savings, Toromont Material Handling will assess your fleet and document the current processes and practices. Based on the findings, we provide a proposal with the scope of work, investment options, a reliable estimate of cost savings, and projected return on investment (ROI).
