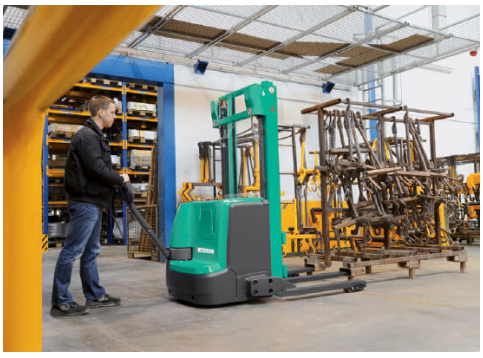
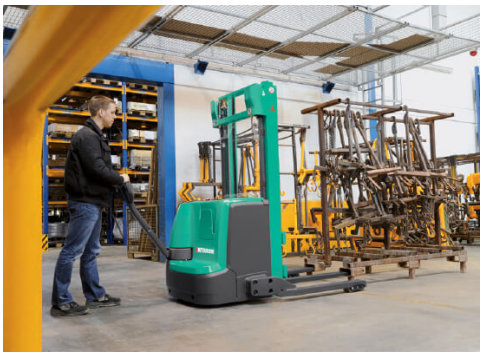
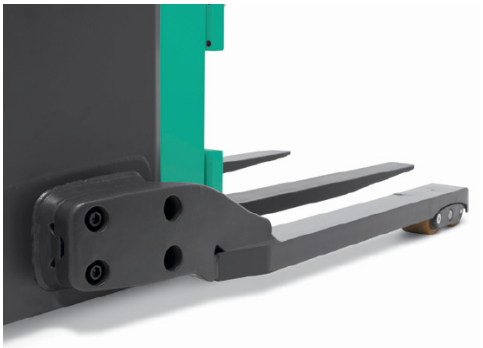
Mitsubishi 3,000 - 3,500 lb. Electric Heavy-Duty Walkie Straddle Stackers

Contact us for price

Images







Description

With full lift and lower control, the 2,600-3,500 lb. capacity walkie straddle stackers allow the operator to be

more precise in retrieving or putting away loads in the rack – resulting in less damage to product and the surroundings.

Shipping & pickup

Buyer is responsible for shipping arrangements and all costs related to transporting the equipment including permits, tear-down, cranes, or other incidentals that may be required to legally transport your purchase.

Following the settlement of the outstanding balance, arrangements must be made immediately to have equipment picked up within ten (10) business days as Toromont may, at its discretion, assess storage fees.
