Description

Specifically designed for light-duty operations, the EJE M is the ideal solution for small and medium-sized companies. Due to the maintenance-free powerful 3-phase AC motor, energy consumption is reduced providing a rapid, smooth and cost-efficient transportation of goods.

Shipping & pickup

Buyer is responsible for shipping arrangements and all costs related to transporting the equipment including permits, tear-down, cranes, or other incidentals that may be required to legally transport your purchase.

Following the settlement of the outstanding balance, arrangements must be made immediately to have equipment picked up within ten (10) business days as Toromont may, at its discretion, assess storage fees.
