## Description

---

Designed to work in the most challenging applications, the GP/DP40N-GP/DP55N series of lift trucks provides increased efficiency and productivity, making them ideal for heavy-duty applications, such as lumber, cement and pipe. The DP40N-DP55N diesel models also feature a Perkins® Tier 4 Final engine - delivering high performance, increased fuel efficiency and lower overall emissions.

## Shipping & pickup

---

Buyer is responsible for shipping arrangements and all costs related to transporting the equipment including permits, tear-down, cranes, or other incidentals that may be required to legally transport your purchase.

Following the settlement of the outstanding balance, arrangements must be made immediately to have equipment picked up within ten (10) business days as Toromont may, at its discretion, assess storage fees.
