WARRANTY

Description

These 5,000-6,500 lb. capacity electric pneumatic tire lift trucks offer industry-leading drive and lift performance levels and the ability to run up to two shifts on a single battery charge in most applications. This, combined with reduced maintenance requirements, results in greater productivity and a lower overall cost of ownership.

Shipping & pickup

Buyer is responsible for shipping arrangements and all costs related to transporting the equipment including permits, tear-down, cranes, or other incidentals that may be required to legally transport your purchase.

Following the settlement of the outstanding balance, arrangements must be made immediately to have equipment picked up within ten (10) business days as Toromont may, at its discretion, assess storage fees.
