## Images

## Description

The EKM 202 is an efficient alternative to conventional ladders, particularly for retail outlets, light

maintenance applications or picking tasks without a pallet. Thanks to its compact dimensions, versatility and ergonomics, productivity is significantly increased.

## Additional Information

## Shipping & pickup

---

Buyer is responsible for shipping arrangements and all costs related to transporting the equipment including permits, tear-down, cranes, or other incidentals that may be required to legally transport your purchase.

Following the settlement of the outstanding balance, arrangements must be made immediately to have equipment picked up within ten (10) business days as Toromont may, at its discretion, assess storage fees.
