

Mitsubishi 5,500 lb. Narrow Fork Hand Pallet Forklift

Contact us for price

Images

Description

These manual walkies have a capacity of up to 5,500 lbs. and are often used to move palletized loads over short distances (less than 100 feet). The hydraulic pallet jacks are equipped with a reinforced, ergonomic handle, making it an easy task to move heavy loads.

Shipping & pickup

Buyer is responsible for shipping arrangements and all costs related to transporting the equipment including permits, tear-down, cranes, or other incidentals that may be required to legally transport your purchase.

Following the settlement of the outstanding balance, arrangements must be made immediately to have equipment picked up within ten (10) business days as Toromont may, at its discretion, assess storage fees.
