Description

The DP70N1 pneumatic tire lift truck offers proven reliability and durability, combined with the strength and stability needed to get the job done. Equipped with a high-performance Perkins® 854F 3.4L engine, this 15,500 lb. capacity forklift offers increased fuel efficiency, reduced emissions and a lower overall operating cost.

Shipping & pickup

Buyer is responsible for shipping arrangements and all costs related to transporting the equipment including permits, tear-down, cranes, or other incidentals that may be required to legally transport your purchase.

Following the settlement of the outstanding balance, arrangements must be made immediately to have equipment picked up within ten (10) business days as Toromont may, at its discretion, assess storage fees.
