## Description

---

The FD70N1 delivers excellent fuel efficiency with superior dependability. The high-performance Perkins® 854F turbocharged, four-cylinder engine was designed for reduced fuel consumption - delivering an 18% increase in efficiency over the previous generation. This 15,500 lb. capacity forklift is built to deliver the power and performance that tough applications demand.

## Additional Information

## Shipping & pickup

---

Buyer is responsible for shipping arrangements and all costs related to transporting the equipment including permits, tear-down, cranes, or other incidentals that may be required to legally transport your purchase.

Following the settlement of the outstanding balance, arrangements must be made immediately to have equipment picked up within ten (10) business days as Toromont may, at its discretion, assess storage fees.
