Description

The powerful and efficient EKS 412s and 414s high-level order picker provides peak performance in narrow-aisle applications. Equipped with an innovative, seamless simplex 3-stage mast, the EKS 412s and 414s offers the tallest light height among all vertical order pickers on the market reaching picking heights of over 45 feet and a 25 percent faster lift speed over the previous generation.

Shipping & pickup

Buyer is responsible for shipping arrangements and all costs related to transporting the equipment including permits, tear-down, cranes, or other incidentals that may be required to legally transport your purchase.

Following the settlement of the outstanding balance, arrangements must be made immediately to have equipment picked up within ten (10) business days as Toromont may, at its discretion, assess storage fees.
